

## Department of Sports and Physical Education

### ANNUAL REPORT-2017-18

Sports play a vital role in the human life. Physical education is an important part of education system. Education without sports is incomplete. A student should study hard to be successful in competitive examinations. But, he should also play sports to enjoy the health life. Along with bookish learning, a student should spend his time on sports. Our college continuously tries to improve in sports facility in college. College organized Inter-college sports tournaments for students. It is important co-curricular activity that offers an extensive opportunity to all students to enhance the physical capability.
