

## Practices Activity-6 under Science Association

College has established **Science Association** in the year of 2014, with an objective to cater the academic needs of the society.

➤ **Objectives of the Association:**

1. to encourage students to collect the scientific information and update their knowledge about science.
2. To develop scientific temperament among students.
3. To sensitize students towards current global environmental issues like plastic waste, electronic waste, sustainable biodiversity protection.
4. To provide students an opportunity to interact with experts from different spheres of science.

Subject - Regarding Scientific Film C. D...

Respected Sir,

With reference to the subject cited above, our college **Sciences Association** wants to "Organizes Session on Screening of Scientific film or documentary film". This program is helpful to our students, to creating and developing research attitude among students and teachers.

You are request to provide the C. D. of Scientific film or documentary film from you college for the above said program. The C. D. will be return in well condition.

We look forward a positive response from you.

Thanking you.

Yours faithfully,
