## **MEMORANDUM OF UNDERSTANDING (MOU)**

### **Visit Report 2021-22**

Department of Zoology was established in the year of 2013, with the objective to cater the academic needs of the society. Department offers B.Sc. degree programme for F.Y. and S.Y.B.Sc level. The students are main strength of department, because despite of their problems they are always ready to face any challenge.

The Department of Zoology, organize various programme for enhancing employability and excellence in the students. For that purpose department of zoology signed linkage/ MoU between Department of Zoology and Shiv Laxmi Layer Poultry Farm, Nighoj. This linkage was sing on 20<sup>th</sup> Feb 2019. With a vision to extend the scope and scores of related academics and to gear the students with advanced research practices. As per the objective of MoU the Department of Zoology, organized the Visit to Laxmi Layer Poultry Farm, Nighoj. Tal- Parner.

Department of Zoology organized the one day visit of S.Y.B.Sc. Students to Laxmi Layer Poultry Farm, Nighoj. Tal- Parner, Dist-Ahmednagar on 29/10/2021. This visit was ready to lend a hand for keeping students constantly involved in thinking, analyzing and correlating their academic curriculum with real life issues. The aim of visit is to understand the use of applied science in student life. The visit based approach also promoted students for building and mutual understanding between them.

In this visit About 32 students of Zoology Department was observed Birds information related to their food, shelter etc. They also observed various instruments which are used in Poultry farming industry. Mr. Ghogare Shivram (Director) gave lots of information about the different species of Poultry birds. They told how our Indian youngsters can use these Birds for to start the new employment and new sources of income. He also told that which things that we should learn from Birds. There students learn the importance of applied Zoology in agriculture field and in daily life. The main objective of MoU was fulfilled by visiting this place. The visit completed with the observation of certain presentations and data given. It was really a fruitful visit
