A society can not prosper without secure and fearless environment. It is the responsibility of police to create such environment. But in our locality it seems that police has joined hand with law-breakers. Incidents of theft are increasing day by day. Chain snatching is common. We are not safe even inside homes. Last week a gang robbed a jeweler in full day light.

This condition is further deteriorated by two wine shops- one in the market and another near bus stand. These shops are hub of anti-social elements. We cannot go outside after sunset. Women are facing many threats. Atmosphere is not safe. We don't know what impression it is imprinting on the innocent minds of our children.
