Report: 2022-23

The **Shri Mulikadevi Mahavidyalaya, Nighoj, Department of Botany** is offer in Nursery Management and Horticultural Practices in which organizes certificate course for enhancing employability and excellence of the students and **A-1 Biotech Nursery Talegoan Dabhade**. This linkage is signed on 27th August 2018. This linkage is valid for 5 years of period that is up to 27th August 2023. Because the student of botany have to get knowledge about Co-operative society form our college student of botany students visited to A-1 Biotech Nursery Talegoan Dabhade for four consecutive academic years to study how we can do Nursery development, Tissue culture, throughout Co-operative society.

We did this **MEMORANDUM OF UNDERSTANDING** for rural student to get the knowledge of Co-operative society and how the Co-operative society rules and importance in development of village economy.

Excursion tour of the F.Y/ S.Y. and T.Y.B.Sc Student were arranged on 18th Feb. 2023. During this period we have visited different places, which are botanically important as well Nurseries, tourist and historical.

On 18th Feb. 2023 at morning 06:30 am we departure our journey form Shri Mulikadevi Mahavidyalaya, Nighoj. At morning 10:30 am we are reached A-1 Biotech Nursery at Talegaon Dabhade, Pune.

After reached at A-1 Biotech Nursery at Talegaon Dabhade, Pune the Joint Director A-1 Biotech Nursery Hon. Mr. Shelke Sir welcomed us and gave valuable guidance to all of us. It showed his experience and study of plants. He provided guidance on future business and job opportunities in polyhouses and nurseries. He gave us valuable guidance of information about the indoor and outdoor plant species like ex. Fern, Zamia, Snake Plant, Money Plant, Orchids and Ornamental plants, etc.

Joint Director of A-1 Biotech Nursery Hon'ble Mr. Shelke Sir with Staff and Student of Shri Mulikadevi Mahavidyalaya, Nighoj.

On the occasion we visited Corona Nursery we met the owner of A-1 Biotech Nursery Mr. Dilip Jadhav Sir. He also guided us in simple language about plants and future opportunities in Botany. He shared with us the struggles of his life so far. He informed us about the demand of nursery and polyhouse plants in the country and abroad. Talking to him, he realized his simple lifestyle.

Owner of A-1 Biotech Nursery Hon. Mr. Dilip Jadhav sir and Joint Director Hon. Mr. Shelke Sir with Staff and Student of Shri Mulikadevi Mahavidyalaya, Nighoj
