Annual Report

(Academic Year 2022-23)

Mentor (Teacher) Name : **Prof.Gaikwad N.R.**

Designation : **Asst. Professor**

Name of Department: **Political Science**

The mentoring program has already been functional in the college since 2017-18. It has met with a great zeal on the part of the students. It aims to enrich students lives on the campus and empower them to continue with their studies and other activities unencumbered by any social constraints.

Four meetings to discuss various objectives have been organized. At the commencement of the academic year 2022-23, mentors were assigned from first year class. In addition to this, mentees were free to meet mentor any time whenever it is necessary. As a mentor of the committee we have created Whats App group for more frequent communication. Apart from this, mentors have addressed problems of students, traced their progression during mid-semester examination, motivated them to participate in curricular, co curricular and extracurricular activities and counseled them as their parent at all levels.

The mentors were just a call away and were ready to discuss not only academic but personal issues of the mentees too.
