LETTER OF PERMISSION

To,
The Principal,
Sri. Mulikadevi Mahavidyalaya, Nighoj,
Tal. Parner, Dist. Ahemdnagar

Subject – Permission for arranging a field visit to your esteemed medicinal garden and survey of field visit of medicinal plants available in nearby area for our pharmacy students.

Dear Sir/ Mam,
Greetings of the day!!!

I hope this letter finds you well. I am writing to request your kind assistance in arranging a field visit to your esteemed medicinal garden for our pharmacy students. As part of our curriculum, we aim to provide our students with a comprehensive understanding of medicinal plants, their cultivation, and their role in pharmaceutical sciences. We believe that a hands-on experience in a real-world medicinal garden will greatly enhance their knowledge and inspire a deeper interest in the field.

We are looking to organize the visit on **14/12/2024**, with approximately **107 Number of Students from the D. Pharm & B. Pharm AY-2024-25** of the Pharmacy program at **Samarth Institute of Pharmacy, Belhe**. The students would benefit greatly from a guided tour, where they can observe various medicinal plants, learn about their therapeutic uses, and discuss cultivation practices.

We would be grateful if you could confirm your availability for this visit and provide any necessary details, such as the time and any preparations required on our part. Additionally, if there are any specific guidelines or restrictions, kindly let us know, so we can ensure a smooth and enriching experience for our students.

Thank you for considering this request. We look forward to the possibility of this educational visit and the opportunity to collaborate with your institution.

Number of Students: 107
Number of Staff: 06

Thanking You.

LETTER OF APPRECIATION

To,
The Principal,
Sri. Mulikadevi Mahavidyalaya, Nighoj.

Dear Sir/ Mam,
Greetings of the day!!!

Subject: Appreciate your co-operation and involvement in our field visit.

I hope this letter finds you well. I would like to extend my heartfelt appreciation for your recent visit to medicinal garden and visit to nearby area. It was a pleasure to have you explore the diverse range of plants that grow and the valuable knowledge they are working to preserve and share.

Your keen interest in the medicinal properties of the plants, as well as your insightful questions, added great value to the experience for everyone involved. We were particularly impressed with your curiosity and enthusiasm, which highlighted the importance of such spaces in promoting natural wellness and sustainable practices. We hope that your visit to garden provided us with valuable insights and inspiration for work. We look forward to any future opportunities to collaborate and further our shared mission of promoting health through the wonders of nature.

Thank you once again for your time, and we sincerely hope to welcome you back in the near future.

Thanking You.

Subject – Appreciation for the exceptional efforts and dedication demonstrated by the Students and Staff of SIOP during their recent visit to the medicinal garden & field survey of medicinal plants.

Dear Sir/ Mam,
Greetings of the day!!!

I am writing to express our sincere appreciation for the exceptional efforts and dedication demonstrated by the students and Staff of Samarth Institute of Pharmacy, Belhe, during their recent visit to the medicinal garden. Their field survey of medicinal plants available in nearby area was both thorough and insightful, showcasing a deep understanding of the subject matter and a keen interest in the preservation and study of medicinal flora.

The level of enthusiasm and professionalism displayed by the students was truly commendable. Their ability to identify, catalog and document various medicinal plants with such attention to detail reflects their academic commitment and passion for learning. The effort they put into collecting data will no doubt contribute to the broader understanding and conservation of medicinal plant species.

We are particularly impressed by their teamwork, discipline and curiosity, which made the survey not only productive but also enjoyable for all involved. Their involvement in this fieldwork serves as a testament to the quality of education and the practical, hands-on experience they are gaining as part of their curriculum.

Once again, we extend our heartfelt thanks to the students as well as staff for their excellent work. Please convey our appreciation to them for their outstanding contribution. We look forward to more such enriching experiences with the SIOP students in the future.

Thanking You.

Tour Report

Under the Memorandum of Understanding (MOU) between Samarth Institute of Pharmacy, Belhe and Shri Mulikadevi Mahavidyalaya, Nighoj, an educational tour 14/12/2024 was organized to the Medicinal Garden of Shri Mulikadevi Mahavidyalaya, Nighoj. The main objective of this tour was to provide practical knowledge to students and to enhance academic collaboration between the two institutions.

B. Pharm and D. Pharm Students and faculty members from Samarth Institute of Pharmacy, Belhe actively participated in the tour. The Botanical Garden houses a wide variety of medicinal, ornamental, local, and rare plant species. During the visit, students were introduced to different plants along with their scientific names, medicinal uses, ecological importance, and conservation value. Subject experts guided the students and explained the structural characteristics and therapeutic properties of various plants.

The tour provided students with an opportunity for direct observation, interaction, and discussion, which helped in better understanding of theoretical concepts through practical exposure. Information about the maintenance of the Botanical Garden and methods adopted for plant conservation was also shared. Such activities conducted under the MOU help in strengthening academic ties and promoting experiential learning.

Overall, the educational tour was informative, enriching, and inspiring for the students. The programme concluded with a vote of thanks to the organizing

committee, guiding faculty members, and the management of Shri Mulikadevi Mahavidyalaya, Nighoj, for their valuable cooperation in making the tour successful.

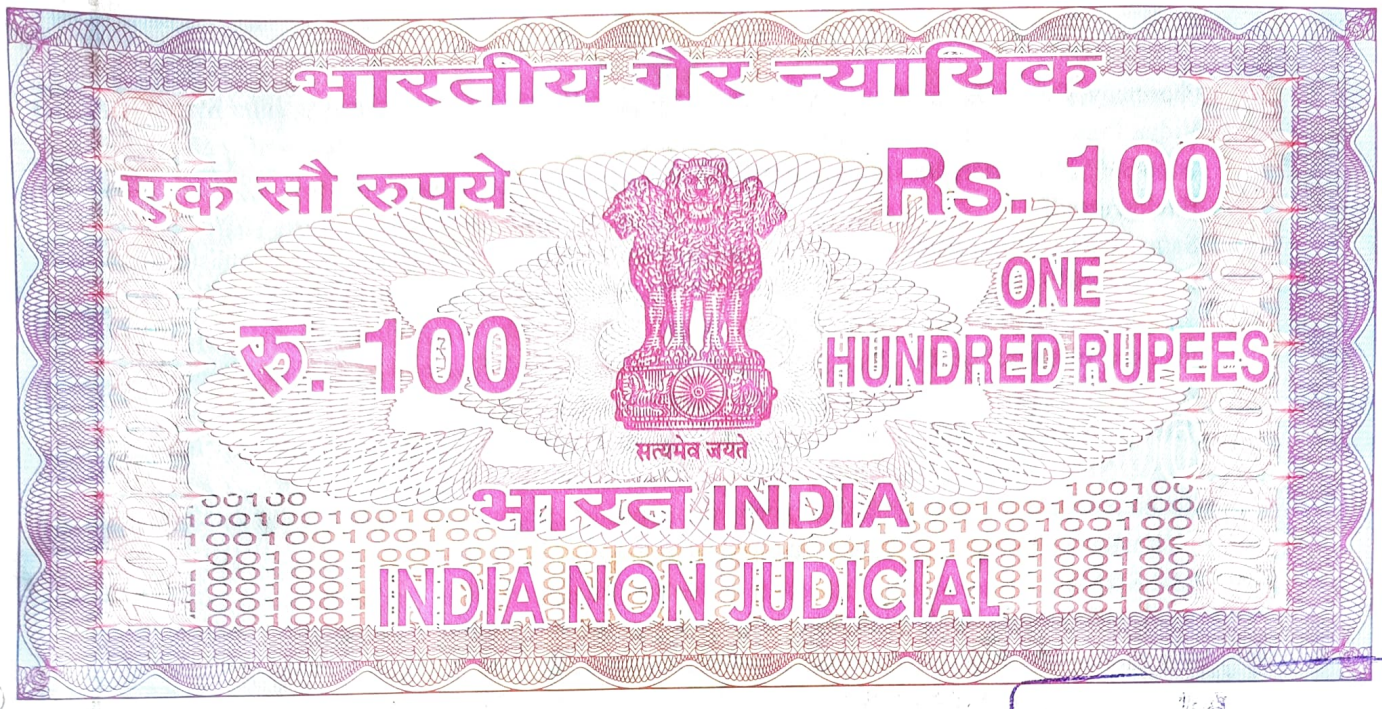

Participating students from Samarth College of Pharmacy, Belhe as well as Principal Dr. Sahdev Aher and assistant professors from Shri Mulikadevi Mahavidyalya, Nighoj etc.

MEMORANDUM OF UNDERSTANDING

BETWEEN

Samarth Rural Educational Institute's

SAMARTH INSTITUTE OF PHARMACY, At- Bangarwadi, Post-Belhe, Tal-Junnar, Dist- Pune- 412410, Maharashtra, India.

AND

Ahmednagar Jilha Maratha Vidya Prasarak Samaj's

SHRI MULIKADEVI MAHAVIDYALAYA, Nighoj, Tal- Parner, Dist- Ahmednagar- 414306, Maharashtra, India.

This Memorandum of Understanding (MOU) sets for the terms and understanding this **01st July, 2023** between the Samarth Rural Educational Institute's, Samarth Institute of

Pharmacy, Belhe **(here afterwards referred to as SIOPB)** and Ahmednagar Jilha Maratha Vidya Prasarak Samaj's Shri Mulikadevi Mahavidyalaya, Nighoj **(here afterwards referred to as SMMN)** initiate institutional collaboration.

Background:

Samarth Rural Education Institute's, Samarth Institute of Pharmacy, Belhe was established in the year 2017 to impart quality Pharmacy education to the students of rural and tribal areas for aspiring to become competent Pharmacists in the national and international area. The institute is approved by Pharmacy Council India, New Delhi, and is affiliated with Dr. Babasaheb Ambedkar Technological University, Lonere, Raigad.

The following are the vision, mission and objectives of the college:

VISION:

To be recognized globally for its excellence in pursuit of newer horizons to build self-reliant pharmacists through quality pharmacy education.

MISSION:

1. To impart high-quality technical education and training that enables students to acquire in-depth knowledge and expertise in the field of pharmaceutical sciences to cater to the needs of the pharmacy profession and society at large.
2. To provide professional and interpersonal skills to students by providing a healthy and competitive environment.

PEO:

1. To conduct a structured B. Pharm programme as per the norms and standards of regulatory authorities
2. To provide effective training to students in knowledge, understanding skills, attitudes and competencies in Pharmaceutical sciences
3. To develop students to fulfil the needs of the Pharmaceutical area for industry, community pharmacy, and education through competent training

PO:

1. Attain adequate knowledge of the subjects from different sections of pharmaceutical sciences prescribed by Dr. Babasaheb Ambedkar Technological University, Lonere including the core Pharmaceutical subjects along with basic sciences (basic Chemistry, Botany, Zoology, Anatomy & Physiology).
2. Pharmacy knowledge: Attain adequate knowledge and scientific information of pharmaceutical sciences (Pharmaceutical chemistry, Pharmaceutics including dispensing & Cosmetology, Pharmacology. Pharmaceutical Analysis, Pharmacognosy etc..) along with basic chemistry, anatomy & physiology.
3. The graduates should be to identify, extract and know the therapeutic values of herbal /crude/ natural products
4. The graduates should be able to think/reason out the events occurring with respect to drugs and the human body by applying the combination of allied and core subjects (eg: biopharmaceutics and pharmacology or anatomy-physiology and pharmaceutics)
5. The graduates should be able to design the development pattern of formulation and its evaluation.
6. The graduates should be to synthesize, purify, identify and analyse medicinal agents.

7. The graduates should be able to formulate, store, dispense, analyse the prescriptions and/or manufacture the medicinal agents at the commercial level.
8. The graduates should be able to apply pharmaceutical analytical knowledge to alate and examine the different dosage forms.
9. The graduates should be capable of adapting to higher studies on the basis of the scientific and technical courses studied.
10. Individual and team work: Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
11. Modern tool usage: Create, select, and apply appropriate modem pharmaceutical techniques, and resources, along with an understanding of the limitations.
12. The Pharmacist and Society: To exercise the code of conduct of pharmacists to serve societal, health, safety, and legal issues of the community. The graduates should also have an approach to working for social causes through health care services.
13. Communication: Communicate effectively on different pharmaceutical activities with the pharmacists with the society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear.

Ahmednagar Jilha Maratha Vidya Prasarak Samaj's Shri Mulikadevi Mahavidyalaya Nighoj, Tal- Parner, Dist- Ahmednagar a pleasant area of Ahmednagar region in the Plateau of Sahyadri Mountains enrich in flora and fauna. The main aim of this institution is to impart Quality Education to the students, aspiring to become competent Pharmacist.

VISION:

Tejo Si Tejo Me Dehi

MISSION:

To make an overall development of students through disciplined teaching-learning process.

To provide educational opportunities especially to the society under privileged and economical weaker section of the society

To foster holistic personality of the students

To impart basic knowledge and develop skills, aptitudes and competencies to meet the future challenges

To instill research culture and positive attitude for the process and development of the nation

To inculcate good moral values among students required for social commitment and national integration.

PURPOSE:

All of this cooperation is to foster collaboration and to facilitate the advancement of wedges on the basis of reciprocity, best efforts, mutual benefits and frequent actions SIOPB and IIPS agree to explore the possibility of engaging in the wing modes of collaboration:

1) SIOPB and SMMN agree to investigate ways of identifying and inviting faculty members from both institutions.
2) SIOPB and SMMN agree to jointly identify and pursue opportunities for formulation and submission of new research project proposals and or training programmes from funding agencies. The terms and conditions of such joint research projects would be worked out between the concerned investigator and the funding agency.

3) Joint organization of seminars, conferences, workshops and short-term continuing education programmes on topics of mutual interests, while extending invitations to each other's faculty to participate therein.
4) Joint proposal or engagement in research or training programmes sponsored by funding agencies extending invitations to each other's faculty to participate therein.
5) Conduct extensive research in the field of Pharmacognosy, Medicinal Botany, Ethno Botany, Pharmacology, Pharmaceutics etc.
6) Exchange of information on research, teaching, learning materials and other literature relevant to their educational and research programmes.
7) Exchange on a reciprocal basis of students at the graduate level for a limited period of time for purposes of education and/or research.
8) Exchange of faculty from SIOPB and SMMN for purpose of guest lecturer's person.
9) SIOPB and SMMN agree to respect each other's right to intellectual property. All background intellectual property used in connection with this MOU shall remain the property of the party that introduces it.
10) No license is granted to any party to use another party's background intellectual property unless specifically agreed to in writing. Further, the intellectual property rights that arise as a result of any collaborative research or joint activity under this MOU would be subject to a separate written agreement(s) on the ownership and management of such intellectual property and each party agrees to respect the ownership of intellectual property of the other parties in all dealings. Consistent with officially laid down intellectual property rights policies of the partner institution and/or as a resource.
11) Provision of consultancy on the campus development of both SIOPB and SMMN.
12) No party of this memorandum shall use the name, logo or other designation of any of the other parties without prior written consent.
13) This MOU will take effect from the date it is signed by a representative of the two institutions. It will remain valid for a period of five years. This MOU will be reviewed after three years, and the terms of this MOU may be amended by mutual written agreement prior to the date of the review. Any extension to this MOU will be formally agreed upon in writing by the parties.
14) Either institution may terminate the MOU by giving written notice to the other institution six months in advance. Once terminated, neither SIOPB nor SMMN will be responsible for any losses, financial or otherwise, which the other institution may suffer. However, SIOPB and SMMN will ensure that all activities in progress are allowed to complete successfully.
15) Should there be a dispute relating to any aspect of cooperation the MOU signing authorities will jointly resolve the dispute in a spirit of independence, mutual respect and shared responsibility.
16) The terms of any financial management will be subject to a separate agreement(s) made on a case-by-case basis, such further agreements will include the names of those persons responsible for managing the implementation etc. of collaborative activity.
17) Identification of secondary metabolites in medicinal plants.
18) To submit proposal to funding agencies for growing medicinal plants.

19) Identification of medicinally important plants.
